

Welcome,

we are bringing the INTERPACK 2020 directly to your home, online and free of charge!

Timezone (CET)

	Training	May 11 th	May 12 th	May 13 th	May 14 th	May 15 th
	1 Full line integration – Full automation! From robotic picking to weighing and labelling as well as sorting of products within the end-of-line process. How to automate production processes efficiently?	02:00 – 02:30 pm (CET)	10:00 – 10:30 am (CET)		10:00 – 10:30 am (CET)	
	2 Labelling lines adapted to your packaging requirements No matter whether C- / D-labelling or classic labelling of the top or bottom side of product packages. The unique ESPERA / Ravenwood compact line leaves nothing to be desired.	03:00 – 03:30 pm (CET)	11:00 – 11:30 am (CET)	04:00 – 04:30 pm (CET)		09:00 – 09:30 am (CET)
	3 ESPERA NOVA application example in fully automated fish production Learn more about the digital features and have a look at the application in the production.		01:00 – 01:30 pm (CET)		11:00 – 11:30 am 03:00 – 03:30 pm (CET)	
	4 Tips and tricks for maintaining your ESPERA labelling system We show you how to maximize the availability of your system with simple maintenance measures.	01:00 – 01:30 pm (CET)		12:00 – 12:30 pm (CET)		
	5 The new generation of weighing and labelling systems – ESPERA NOVA Transform your labelling process and increase the efficiency of your line. Learn more about the new machine generation in this session.			01:00 – 01:30 pm (CET)		
	6 IOT - The Internet of Things in weighing and labelling We show you the latest ESPERA technologies to reduce downtimes and optimize service operations.			10:00 – 10:30 am (CET)		
	7 100% Quality control Vision inspection how to avoid wrong labelled products and recalls from the retail markets.					04:00 – 4:30 pm (CET)

Please click on the appropriate time you want to participate. An email will open automatically and you can note the number of the requested session and the time to Franziska Löbel. She will reply with the online link to participate. If the link does not work, feel free to contact her directly via: loebel@espera.de – Marketing Assistant, ESPERA WERKE GmbH.
